Weekly UPS Rolling Avg Audit
w.e. 2019-04-06

Created 2019-04-15

Purpose

This weekly report monitors the UPS gross transportation charge, as well as the average cost per UPS package. The gross transportation charge is a value that determines the level of savings which UPS offers to Adafruit, so any changes in this value will affect the average charge per package.

Here is a link to the latest UPS contract, for reference, and below are our current incentive bands
